

Flower, rose, red, love, petals, rain, sun, pain, sad, peace

*Like a **flower** that breaks through dirt and soil
And becomes a regal **rose**
Blooming **red** like sunrise
Your **love`**s like poetry and prose*

*Fragile yet strong your **petals**
Which shield me from the **rain**,
Or the scorching **sun**
And every growing **pain***

*Your fragrance makes my sad
Turn into **peaceful** glad!!*
