

# PICTURE POEM : FLOWERS

Flowers - garden - peace - beauty - fun - games - football - players - run - rest

flowers I always dream  
gardens filled, covering hills  
peace they bring to my heart  
beauty in front my eyes

having fun with my friends  
playing games all around  
football in two teams  
famous players pretending to be

running, jumping, laughing  
then for a rest under a tree
